Dear Mr. Iqbal (MD), Mr. Taher (DMD):

Thank you for your time and attention during your recent call with our business team.

As was stated in the call, the government actions in the United States have required the Company to shutter all of its Sears stores across the country as of April 4. In addition, we have been forced to layoff most Sears store hourly and salaried associates, as well as the majority of our associates at our corporate locations around the country. At this point, it is uncertain how long this situation will continue. However, it is clear that this situation has devastated our retail business and that there will be no Spring/Summer season at our stores.

Given these unprecedented and near catastrophic circumstances, it is impossible for the Company to honor the purchase orders that we have in place with you. Therefore, under the terms of our purchase orders and sections 2-615 and 2-616 of the Uniform Commercial Code, and as was communicated by our business team, we are canceling these purchase orders without any monetary consequences associated with such cancellations. A detailed list of these canceled orders is attached to this letter.

Thank you in advance for your cooperation in this important matter. We very much appreciate your efforts, and the support that you have provided during these difficult times.

Sincerely,

TRANSFORMCO
